

NOTICE
B.Tech. IV (Computer Science and Engineering)

Guidelines for Summer Internship Evaluation

The evaluation of Summer Internship for B. Tech. IV students is scheduled on **13-14 October, 2022**.

Evaluation will be based on, (1) Report Preparation (2) Presentation (Total 15 minutes: 10 minutes for presentation + 5 minutes for viva) and (3) Viva.

The B.Tech. IV Project supervisor of the student will act as mentor for summer internship work submission.

Students are required to prepare the report of their internship work as per the format given in Annexure I.

The rubrics for Internship evaluation will be as follows:

A. Report Writing (15 Marks)	B. Presentation (25 Marks)			C. Viva (10 Marks)	Total A+B+C (50 Marks)
	Problem Understanding and Motivation (5 Marks)	Work carried out including block diagram if any, implementation methodology, results obtained etc. (15 Marks)	Conclusion (5 Marks)		

Detailed schedule of presentation will be intimated soon.

Sankita Patel
(Coordinator, Summer Internship Evaluation)

Annexure I

Guidelines for Summer Internship Report Preparation

- 1 The summer internship reports of all the students in the class should have uniform cover page, student declaration page, and certificate page – softcopy of which can be obtained from System Administrator (Mr. Ashish Makwana) of the department.
- 2 The title of the Internship Work, Name of the Student, Admission Number, Name of the Mentor (from company), Name of the Mentor (from SVNIT) etc. have to be clearly written in bold only – and with black ink only.
- 3 The report has to be **soft bound only** with uniform front and rear plastic protection sheets, The sheets should be **transparent white color on the front cover and should be black on the rear cover.**
- 4 There is no restriction on the number of pages of the report. However, students should make sure that there are sufficient contents written in the report to understand the internship work done.
- 5 The internship report consists of following documents arranged STRICTLY in below order:
 - 1) Title Page (with no page number)
 - 2) Student Declaration (Start with roman page numbering)
 - 3) Certificate
 - 4) Abstract
 - 5) Index
 - 6) List of Figures (if applicable)
 - 7) List of Tables (if applicable)
 - 8) List of Acronyms (if applicable)
 - 9) List of Symbols (if applicable) (End roman page numbering here)

/* Title page to List of Symbols i.e. Sr. No. 1) to 9) above should start with new page on right hand side*/

/* All remaining contents described below should be printed double sided */

/*start with normal page numbering from here */

Chapter 1 Introduction

Chapter 2

Chapter 3

Guidelines for preparing chapters

Chapter 1 Introduction

/* Introduction to application or problem on which student has worked, importance of the work, motivation, objectives, contribution, organization of the report etc. */

Chapter 2 Background and Literature Review

/* This section should include Background knowledge necessary to understand the content of this report. Additionally, it should also include existing solutions that are proposed in literature to solve the problem (if applicable). */

Chapter 3 Work Done

/* Detailed description of the work carried out at the company. The description should support block diagram, figures, tables etc. for better readability and understandability */

Chapter 4 Results and Analysis

/* Results obtained by students, Analysis of the results. */

Chapter 5 Conclusion and Future Work

/* Summary of work done and results achieved in brief. Future Work should include how your work can be extended or improvement can be done */

References

Acknowledgement

The whole report must be spell checked and grammatically checked, use proper mathematical equation editor for writing equations in the report.

- 6 The text of the report should be typed with the following specifications :
- Spacing: Single spacing for abstract – in italics. 1.5 spacing for the other text. Leave at least one line between a heading and the text.
- Internship title: Centre and bold, Font size 14
- Abstract: Font size 10, preferably up to 200 words.
- Page setup: A-4 Size
- Margins: L = 1", R =1", T=1", B=1" -
- Main text: Font Size 12 (justified alignment)
- Font type: Times New Roman throughout the report.
- Chapter titles: Centre and bold, Font size 18
- Heading: First Level Font size 12 bold, Second level Font size 11 bold.
- 7 Format of Title Page, Student Declaration and Certificate Page is attached below:

**Towards partial fulfillment for Undergraduate Degree Level Programme
Bachelor of Technology in Computer Science and Engineering**

Summer Internship Evaluation Report on:

/* title of the internship work */

Prepared by:

Name of the Student:	
Admission No.:	
Class:	B.TECH. IV (Computer Science and Engineering) Semester - 7
Year:	2022-23
Name and Address of the Company where internship is done:	
Name and Designation of the Mentor (from Company):	
Name of the Mentor (from SVNIT):	

**DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING
SARDAR VALLABHBHAI NATIONAL INSTITUTE OF TECHNOLOGY,
SURAT - 395007 (GUJARAT, INDIA)**

Student Declaration

This is to certify that the work described in this summer internship report has been actually carried out and implemented by me i.e.

Admission No.	Student Name

Neither the source code there in, nor the content of the project report have been copied or downloaded from any other source. We understand that our result grades would be revoked if later it is found to be so.

Signature of the Student:

Certificate

*This is to certify that the summer internship report entitled _____
_____ is prepared and presented by.*

Admission No.	Student Name

Final Year of Computer Science and Engineering and his/her work is satisfactory.
